

OCEAN MASTER DD120A

- EXCELLENT CAPACITY 135 LTRS/MIN
- EASY ACCESS TO PUMPING CHAMBER
- DOUBLE ACTION
- ROBUST DESIGN
- FULLY SEAWATER RESISTANT
- EASY TO FIT

The flagship product of the globally renowned Patay range and hugely popular within the marine industry. These tough workhorses with their excellent capacity of 135 litres per minute are ideally suited for applications where heavy use is anticipated, such as workboats and larger leisure craft. The double diaphragm design ensures maximum efficiency and added safety. The handwheels provide easy access to the pumping chamber without the need for tools.

This model is designed to be base mounted, secured by four fixing points at the base of the pump.
