

## OCEAN MASTER PORTABLE BILGE PUMP

- EXCELLENT CAPACITY 135 LTRS/MIN
- EASY ACCESS TO PUMPING CHAMBER
- FULLY PORTABLE
- HANDLE LARGE SOLIDS
- FULLY SEAWATER RESISTANT
- CAN FUNCTION ON ONE DIAPHRAGM

*This fully portable, lightweight bilge pump is well proven with an excellent capacity. It's robust design makes it particularly suited to workboats and larger leisure craft. In fact, any situation where heavy duty use is anticipated. Hand-wheels provide easy access to the pumping chamber without the need for tools. The double diaphragm design ensures maximum efficiency and provides additional security. Generous 38mm ports allow the pump to handle large solids without detriment.*

*Supplied as illustrated, complete with baseplate, hose clips and strainer, the Patay Portable Bilge Pump will be an invaluable asset to your boat. (Please note: The baseplate has been specifically designed to accommodate up to 10m in length of hose).*

**Stock Reference: A2040**
